Industries

SAFe® Certification

Video Editor and Assistant Editor specialising in commercial, branded and long-form content. Proficient in Avid, Premiere and Resolve - working across formats from social-first pieces to longer commercial edits, combining strong technical workflows with storytelling and pacing to deliver engaging, performance-driven content. Based in London, available to travel internationally.

WORK EXPERIENCE

ASSISTANT EDITOR

2021 - Present

Final Cut, Tenthtree, The Quarry, Doma, Avenues

LONDON POST HOUSES

Editor and Assistant Editor across leading London post houses. Work spans offline and online - media ingest, transcoding, and project setup for major commercial campaigns. Supported editors through turnovers, conform prep, and picture-lock deliveries, managing exports, review links, and client-ready assets. Projects include Nike, PlayStation, Adidas, Pandora, Monzo and others.

VIDEO EDITOR

2023 - 2025

UK Foreign, Commonwealth & Development Office

HM GOVERNMENT

Lead Video Editor for the FCDO, editing content for live global events and international social campaigns. Collaborated with senior officials including David Cameron and David Lammy, shaping messaging and delivering editorial content for high-profile government communications.
