PROFILE

Video Editor and Assistant Editor with experience across commercial, broadcast television, and social campaigns. Focused on offline editorial and post-production workflows, with a technically driven approach that sits between the creative and infrastructure sides of the edit room. Experienced supporting editors through ingest, sync, media organisation, and project management, maintaining clean timelines and efficient pipelines from shoot to turnover. Proficient in Avid Media Composer, Adobe Premiere, and DaVinci Resolve. Uses FFmpeg and the terminal day-to-day for transcoding, media preparation, and troubleshooting. Based in London, available to travel internationally.
